

Dedicated to fostering women's involvement in the sport of fishing through education, camaraderie and support.

Dear Recipient,

With much excitement, we have scheduled our 3rd Annual Women's Fishing Federation “The Kayak Fishing Experience”. The event will take place May 5th through 8th, 2022 on beautiful Lake Fork in Alba, TX. We have partnered with Lake Fork Marina & Motel to be the host for this year's event. Our goal is to help empower women and provide the skills and confidence needed to get outdoors, on their own, and take part in the sport of kayak fishing.

Our past events have been a huge success. The air filled with laughter and excitement as women from across the country arrive on a Thursday evening, to share their passion for kayak fishing. The week's activities offered educational, safety, how-to and confidence-building classes taught by some of the leading lady kayak anglers in the nation. This year we are expecting over 100 ladies in attendance and national media coverage of the event. Here are just a few examples of feedback we've received from a few of the ladies:

“This event was so incredibly life-changing for me”

“I am still struggling to find the words to describe it. This event not only taught me new skills and grew my confidence in kayak fishing but it fundamentally changed me.”

“I feel so incredibly blessed to have attended this event and met so many wonderful female anglers. There are no words for this kind of amazing experience.”

Thanks to our generous sponsors we were able to provide meals, educational classes, amazing product giveaways and to sponsor lodging for ladies that would otherwise be unable to attend. Currently, we are looking for sponsors willing to help us reach this goal again!

Included, you will find our sponsorship options. We hope one of these will be appealing to you and we can count on you to help continue the foundation we have built. If you are interested in Sponsoring WFF please click here: [Sponsor Request Form](#).

Warmest regards,
